

**Multi-sensory Solutions
for Increasing human-building resilience
in face of Climate Change**

MSCA doctoral network

**MUSIC Final Conference
September 8&9, 2026**

Funded by the
European Union

1. AGENDA

Day 1 agenda, September 8th, 2026

Time	Topic	
11h00	Arrival of MuSIC final conference attendees (traveling)+ Welcome and Registration at the UCLouvain, LOCI+LAB ST GILLES, Rue Wafelaerts 47,1060 Bruxelles, Belgium	
11h45	Institutional Welcome and Presentation about UC Louvain (Prof. Sergio Altomonte and Prof. Maider Llaguno Munitxa)	
12h00	Keynote: “(Dis)comfort’ and ‘health’ induced stress: the need for unravelling their effects”- Prof. Philomena Bluysen, TU Delft	
13h00	Lunch break	
14h00	MuSIC project presentation (Prof. Marcel Schweiker, Uniklinik RWTH Aachen)	
14h30	Individual research contribution by DC1 “Steady-state neurological reaction and perception”	
14h40	Individual research contribution by DC2 “Acute dynamic physiological reaction and perception”	
14h50	Individual research contribution by DC3 “Human perception in outdoor and transitional urban spaces”	
15h00	<i>Round table/discussion among PIs and DCs</i>	
15h15	Individual research contribution by DC4 “Non-adapted and adapted cognitive performance”	
15h25	Individual research contribution by DC5 “Long-term well-being and health through improved sleep quality”	
15h35	Individual research contribution by DC6 “Long-term physiological, psychological and behavioural daytime adaptation”	
15h45	<i>Round table/discussion among PIs and DCs</i>	
16h00	Group Picture + Coffee break	
16h30	Individual research contribution by DC7 “Human-centric model-based predictive control of passive and hybrid solutions”	
16h40	Individual research contribution by DC8” Advanced communication solutions of price and billing schemes and health information for comfort and behaviour”	
16h50	Individual research contribution by DC9 “Living lab for human comfort and building energy efficiency solutions”	
17h00	Individual research contribution by DC10 “Human-centric passive and hybrid strategies for adapting buildings and neighbourhoods to the changing climate”	
17h10	<i>Round table/discussion among PIs and DCs</i>	
17h30	Closing Session	
19h30	Dinner	

Day 2 agenda, September 9th , 2026

Time	Topic	
09h00	General discussion of MuSIC results, strength and weakness (invited advisory, PIs, experts and guests)	
10h30	Coffee break	
11h00	Keynote: Arch. Joost Declerq- Archipelago	
12h00	MuSIC Prize Award Cerimony	
12h30	Lunch break
